## REGISTER OF HORSE/STABLE HAZARDS AND CONTROLS

DATE: \_\_\_\_\_

ADDINGTON RACEWAY STABLING AWARENESS COURSE

Your child has been enrolled to participate in the Stabling Area Awareness Course. While your child safety is paramount to us, there are hazards involved when around horses in the stabling environment. At the commencement of this course all participants will be explained the Stable's Emergency Procedures and where the Assembly Point is situated.

	HAZARDS	CONTROLS
Horse	Loose horse, out of control horse, kicking, biting, shying	Horses will be secured in the tie up area. Horse will have a lead on at all times when not secured.
Leading horse	Getting loose, standing on feet, kicking, biting, shying	Horses are with a handler at all times.
Equipment: E.g. sulkies, horse gear, gear bags, shovels, rubbish bins	Tripping	Pick up any items lying in an area that we may be working in. Look out for items you may trip over.
Uneven Surfaces	Tripping, falling	Hi – vis tape located where levels change.
Wet Surfaces	Slipping	Stay away from wet surfaces where possible.
Sound Limitations	Horses on rubber flooring – cannot hear coming	Keep alert and follow all instructions.
Stairs	Tripping, Falling	No playing or running on stairs
Fire, Earthquake,		Keep yourself safe first. Listen to the instructor. Where an evacuation is required proceed to assembly point.
Accident/Incident		Any accidents/incidents to be reported to instructor.

I have read and understood, this Health and Safety information

Yes/No

In particular:

- Hazards I may be exposed to (including control measures);
- Accident/Incident reporting requirements; and
- Emergency procedures.

I give my permission for my child to participate in this course.
