Weddings

Addington takes great pleasure in being part of your special day and we are committed to making every bit of it as wonderful as you would imagine - a joyful occasion to share with family and friends - a day to remember!

With an unrivaled range of venue options we can assist you with every aspect of your day from the ceremony including a celebrant, flowers, entertainment and decorations. Addington offers a full in-house catering service, however, we would be delighted to tailor a menu to suit your requirements from a formal dinner, luncheon or cocktails to a more relaxed BBQ.
